

Asona Corporate social responsibility policy

Policy brief & purpose

The Asona Corporate Social Responsibility (CSR) policy refers to our responsibility toward our environment. Our company's existence is part of a bigger system of people, values, other organizations and nature. Asona's social responsibility is to give back to the world just as it gives to us.

Scope

This policy applies to our company and its subsidiaries. It may also refer to suppliers and partners.

Policy elements

We want to be a responsible business that meets the highest standards of ethics and professionalism.

Our company's social responsibility falls under two categories: compliance and proactiveness. Compliance refers to our company's commitment to legality and willingness to observe community values. Proactiveness relates to the Asona initiatives aiming to promote human rights, help communities and protect our natural environment.

Compliance

Legality

Our company will:

- Respect the law
- Honor its internal policies
- Ensure that all its business operations are legitimate
- Keep every partnership and collaboration open and transparent

Business ethics

We'll always conduct business with integrity and respect to human rights. We'll promote:

- Safety and fair dealing
- Respect toward the consumer
- Anti-bribery and anti-corruption practices

Examples of Corporate Social Responsibility

Protecting the environment

Our company recognizes the need to protect the natural environment. Keeping our environment clean and unpolluted is a benefit to all. We'll always follow best practices when disposing waste and using chemical substances.

Protecting people

We'll ensure that we:

- Don't risk the health and safety of our employees and community.
- Avoid harming the lives of local and indigenous people.
- Support diversity and inclusion.

Human rights

Our company is dedicated to protecting human rights. We are a committed equal opportunity employer and will abide by all fair labour practices. We'll ensure that our activities do not directly or indirectly violate human rights in any country (e.g. forced labor).

Donations and aid

Our company may preserve a budget to make monetary donations. These donations will aim to:

- Assist the community by supporting the Holy Trinity Cathedral.
- Alleviate those in need by supporting the Westpac Emergency Helicopter and the St John Ambulance Service.

Preserving the environment

Apart from legal obligations, our company will proactively protect the environment. Examples of relevant activities include:

- Recycling

- Conserving energy
- Using environmentally-friendly technologies

Supporting the community

Our company may initiate and support community investment and educational programs. For example, the company can provide support to nonprofit organizations or movements to promote cultural and economic development of global and local communities.

Learning

We will actively invest in R&D. We will be open to suggestions and listen carefully to ideas. Our company will try to continuously improve the way it operates. We will readily act to promote our identity as a socially aware and responsible business. Management must communicate this policy on all levels. Managers are also responsible for resolving any CSR issues.
